

The Police - Message In A Bottle

Just a castaway, an island lost at sea, oh
Another lonely day, with no one here but me, oh
More loneliness than any man could bear
Rescue me before I fall into despair, oh
I'll send an S.O.S. to the world
I hope that someone gets my
Message in a bottle, yeah
A year has passed since I wrote my note
But I should have known this right from the start
Only hope can keep me together
Love can mend your life but
Love can break your heart
I'll send an S.O.S. to the world
I hope that someone gets my
Message in a bottle, yeah
Walked out this morning, don't believe what I saw
Hundred billion bottles washed up on the shore
Seems I'm not alone at being alone
Hundred billion castaways, looking for a home
I'll send an S.O.S. to the world
I hope that someone gets my
Message in a bottle, yeah
Sending out at an S.O.S...

The Cure - Boys don't cry

I would say I'm sorry
If I thought that it would change your mind
But I know that this time
I've said too much, been too unkind
I try to laugh about it
Cover it all up with lies
I try and laugh about it
Hiding the tears in my eyes
'Cause boys don't cry
Boys don't cry
I would break down at your feet
And beg forgiveness, plead with you
But I know that it's too late
And now there's nothing I can do
So I try to laugh about it
Cover it all up with lies
I try to laugh about it
Hiding the tears in my eyes
'Cause boys don't cry
I would tell you that I loved you
If I thought that you would stay
But I know that it's no use
That you've already gone away
Misjudged your limits
Pushed you too far
Took you for granted
I thought that you needed me more
Now I would do most anything
To get you back by my side
But I just keep on laughing
Hiding the tears in my eyes
'Cause boys don't cry
Boys don't cry

U2 - One

Is it getting better, or do you feel the same
Will it make it easier on you now
You got someone to blame
You say
One love, one life
When it's one need in the night
One love, we got to share it
'cause it leaves you baby if you don't care for it
Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without
Well it's too late, tonight
To drag the past out into the light
We're one, but we're not the same
We get to carry each other
Carry each other
One...
Have you come here for forgiveness
Have you come to raise the dead
Have you come here to play Jesus
To the lepers in your head
Did I ask too much, more than a lot
You gave me nothing, now it's all I got
We're one, but we're not the same
Well we hurt each other then we do it again
You say
Love is a temple, love a higher law
Love is a temple
Love the higher law
You ask me to enter, but then you make me crawl
And I can't be holding on to what you got
When all you got is hurt
One love, one blood, one life
You got to do what you should
One life
With each other
Sisters... Brothers
One life
But we're not the same
We get to carry each other
Carry each other
One...life
...One

R.E.M. - Nightswimming

Nightswimming

Nightswimming deserves a quiet night...

The photograph on the dashboard, taken years ago,
turned around backwards so the windshield shows.

every streetlight reveals the picture in reverse.

still, it's so much clearer.

I forgot my shirt at the water's edge.

The moon is low tonight.

Nightswimming deserves a quiet night

I'm not sure all these people understand...

It's not like years ago,

the fear of getting caught,

of recklessness and water.

they cannot see me naked.

these things, they go away,

replaced by everyday.

Nightswimming, remembering that night...

September's coming soon.

I'm pining for the moon

and what if there were two

side by side in orbit

around the fairest sun?

That bright, tight forever drum

could not describe nightswimming...

You, I thought I knew you.

You I cannot judge.

You, I thought you knew me,

this one laughing quietly, underneath my breath.

Nightswimming.

The photograph reflects,

Every streetlight a reminder.

Nightswimming deserves a quiet night, deserves a quiet night.

Red Hot Chili Peppers - Under the bridge

Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend
Is the city I live in, the city of angels
Lonely as I am, together we cry
I drive on her streets 'cause she's my companion
I walk through her hills 'cause she knows who I am
She sees my good deeds and she kisses me windy
I never worry, now that is a lie
I don't ever wanna feel like I did that day
Take me to the place I love
Take me all the way
It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love
The city she loves me
Lonely as I am, together we cry
I don't ever wanna feel like I did that day
Take me to the place I love
Take me all the way
Under the bridge downtown
Is where I drew some blood
Under the bridge downtown
I could not get enough
Under the bridge downtown
Forgot about my love
Under the bridge downtown
I gave my life away

Björk - Hyperballad

We live on a mountain
Right at the top
There's a beautiful view
From the top of the mountain
Every morning I walk towards the edge
And throw little things off
Like car-parts, bottles and cutlery
Or whatever I find lying around
It's become a habit
A way to start the day

I go through all this
Before you wake up
So I can feel happier
To be safe up here with you

It's real early morning
No-one is awake
I'm back at my cliff
Still throwing things off
I listen to the sounds they make
On their way down
I follow with my eyes 'til they crash
Imagine what my body would sound like
Slamming against those rocks
When it lands
Will my eyes
Be closed or open?

I go through all this
Before you wake up
So I can feel happier
To be safe up here with you...

Cake - I will survive

At first I was afraid,
I was petrified.
I kept thinking I could never live
Without you by my side.
But then I spent so many nights
Just thinking how you'd done me wrong.
I grew strong.
I learned how to get along.
And so you're back from outer space.
I just walked in to find you here
Without that look upon your face.
I should have changed my fucking lock.
I would have made you leave your key
If I'd have known for just one second
You'd be back to bother me.
Oh now go.
Walk out the door.
Just turn around now.
You're not welcome anymore.
Weren't you the one
Who tried to break me with desire?
Did you think I'd crumble?
Did you think I'd lay down and die?
Oh not I.
I will survive.
As long as I know how to love
I know I'll be alive.
I've got all my life to live.
I've got all my love to give.
I will survive.
I will survive.
It took all the strength I had
Just not to fall apart.
I'm trying hard to mend
The pieces of my broken heart.
And I spent oh so many nights
Just feeling sorry for myself.
I used to cry.
But now I hold my head up high.
And you'll see me with somebody new.
I'm not that stupid little person
Still in love with you.
And so you thought you'd just drop by,
And you expected me to be free.
But now I'm saving all my lovin'
For someone who's lovin' me.
Oh now go.
Walk out the door.

Just turn around now.
You're not welcome anymore.
Weren't you the one
Who tried to break me with desire?
Did you think I'd crumble?
Did you think I'd lay down and die?
Oh not I.
I will survive.
As long as I know how to love
I know I'll be alive.
I've got all my life to live.
I've got all my love to give.
I will survive.
I will survive.

Queen - I'm Going Slightly Mad

When the outside temperature rises
And the meaning is oh so clear
One thousand and one yellow daffodils
Begin to dance in front of you - oh dear
Are they trying to tell you something
You're missing that one final screw
You're simply not in the pink my dear
To be honest you haven't got a clue

I'm going slightly mad
I'm going slightly mad
It finally happened - happened
It finally happened - ooh oh
It finally happened
I'm slightly mad
Oh dear

I'm one card short of a full deck
I'm not quite the shilling
One wave short of a shipwreck
I'm not my usual top billing
I'm coming down with a fever
I'm really out to sea
This kettle is boiling over
I think I'm a banana tree
Oh dear

I'm going slightly mad
I'm going slightly mad
It finally happened - happened
It finally happened - uh huh
It finally happened
I'm slightly mad
Oh dear

Ooh ooh ah ah
Ooh ooh ah ah
I'm knitting with only one needle
Unravelling fast it's true
I'm driving only three wheels these days
But my dear how about you

I'm going slightly mad
I'm going slightly mad
It finally happened
It finally happened - oh yes
It finally happened

I'm slightly mad
Just very slightly mad

And there you have it

Madonna - American Pie

Music & Lyrics by Don McLean

Intro

A long long time ago
I can still remember how
That music used to make me smile
And I knew if I had my chance
That I could make those people dance
And maybe they'd be happy for a while

Did you write the book of love
And do you have faith in God above
If the Bible tells you so?
Now do you believe in rock and roll?
Can music save your mortal soul?
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues
I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died
I started singin'

Chorus

Bye, bye Miss American Pie
Drove my Chevy to the levee but the levee was dry
Them good ole boys were drinking whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
Then I went down to the sacred store
Where I'd heard the music years before
But the man there said the music wouldn't play
Well now in the streets the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most -
the Father, Son, and the Holy Ghost -
They caught the last train for the coast
The day the music died

We started singing

- Chorus (2x) -

We started singing

We started singing

Suzanne Vega - Tom's diner

I am sitting
In the morning
At the diner
On the corner

I am waiting
At the counter
For the man
To pour the coffee

And he fills it
Only halfway
And before
I even argue

He is looking
Out the window
At somebody
Coming in

"It is always
Nice to see you"
Says the man
Behind the counter

To the woman
Who has come in
She is shaking
Her umbrella

And I look
The other way
As they are kissing
Their hellos

I'm pretending
Not to see them
Instead
I pour the milk

I open
Up the paper
There's a story
Of an actor

Who had died
While he was drinking

It was no one
I had heard of

And I'm turning
To the horoscope
And looking
For the funnies

When I'm feeling
Someone watching me
And so
I raise my head

There's a woman
On the outside
Looking inside
Does she see me?

No she does not
Really see me
Cause she sees
Her own reflection

And I'm trying
Not to notice
That she's hitching
Up her skirt

And while she's
Straightening her stockings
Her hair
Is getting wet

Oh, this rain
It will continue
Through the morning
As I'm listening

To the bells
Of the cathedral
I am thinking
Of your voice...

PEARL JAM - Elderly Woman Behind The Counter In A Small Town

I seem to recognize your face
haunting, familiar, yet i can't seem to place it
cannot find the candle of thought to light your name
lifetimes are catching up with me
all these changes taking place, i wish i'd seen the place
but no one's ever taken me
hearts and thoughts they fade, fade away...
hearts and thoughts they fade, fade away...
i swear i recognize your breath
memories like fingerprints are slowly raising
me, you wouldn't recall, for i'm not my former
it's hard when, you're stuck upon the shelf
i changed by not changing at all, small town predicts my fate
perhaps that's what no one wants to see
i just want to scream...hello...
my god its been so long, never dreamed you'd return
but now here you are, and here i am
hearts and thoughts they fade...away...
hearts and thoughts they fade...away...
hearts and thoughts they fade, fade away...
hearts and thoughts they fade...
